

MEMORANDUM

From: Dave Pym
Date: March 3, 2008
Re: Fondation Ski Canada Foundation
Hugh Pomeroy Scholarship Fund - Application

On behalf of Steve Podborski and the Board of Directors of the Fondation Ski Canada Foundation, I am very pleased to attach information on the Scholarship Program for 2008 as well as the form to apply for education funding support.

We would ask you to circulate this to your qualified members and post where appropriate on your website. The CSA will also post this on its website.

The Board of the Ski Foundation is now fully engaged and the Ski Foundation successfully distributed \$20,000 in scholarship payments to the 2007/2008 Hugh Pomeroy Scholarship recipients.

The Foundation is continuing fund-raising initiatives and is carrying out the objectives of this long established organization. This has included the receipt of funds for dedicated projects and funding for these specific projects. They will be announcing further programs and fund-raising initiatives at a later date.

Yours truly,

CANADIAN SNOWSPORTS ASSOCIATION
